(Newswire.net -- 28, January, 2013) Cincinnati, OH

Akron, Ohio based Chester Law Group Co., LPA has expanded again, this time opening a new office in the Cincinnati, Ohio area. With the addition of this office Chester Law now has 16 offices across the state of Ohio. This new office is conveniently located at 8044 Montgomery Rd, Cincinnati, OH 44320.

Attorney David Chester, the founder of the firm, stated "Chester Law Group is committed to helping injured Ohioans fight the insurance companies to receive fair compensation. We have helped thousands of injured Ohioans all across the state over the years. We are proud to be formally moving into the Cincinnati market and will continue to help injured people in Southwest Ohio in their fight for justice. I am glad our newest office makes working with Chester Law more convenient for these injured victims of other people's carelessness."

Attorney Chester started [Chester Law](#) from a single office in Akron, Ohio and with this additional office has grown the business to include 16 offices located around the state of Ohio. David has been able to do this in spite of the most recent economic downturn. This growth speaks to his firm's success in serving clients who have been seriously injured because of someone else's negligence or recklessness.

The Chester Law Group are experienced [Cincinnati personal injury lawyers](#) who serve injured victims of car, trucking, and motorcycle accidents, wrongful death, spinal cord injuries, traumatic brain injuries, loss of limbs, medical malpractice and negligence and birth injuries. Opening a new office in the Cincinnati area confirms the commitment Chester Law has to serving clients in the Southwest Ohio area navigate the complex process of personal injury claims.
