

Unipart Car Care Centre Gives Away £1200 Prize: 2 Years Free MOT Testing, Service

Stuart Sykes October 08, 2013

Unipart Car Care Centre (UCCC) has announced a contest to give away 2 years free MOT testing and service worth up to £1200. The prize can be redeemed at any of the 700+ service stations in the UCCC network of independent garages

([Newswire.net](#) -- October 8, 2013) Bicester, Oxfordshire -- Unipart Car Care Centre (UCCC) announced the launch of a new contest for free MOT testing and MOT servicing

worth up to £1200 over 2 years. With the annual MOT test being a requirement for cars 3 years old or older, motorists across the UK know that MOT testing is unavoidable. UCCC hopes to make annual MOT testing much easier for the winner of their new contest by offering 2 free years of MOT testing and servicing, redeemable at any of the over 700 independently owned garages in their nationwide network.

UCCC's free MOT test contest will run through December 31, 2013. Three entrants will be selected at random to win one of three special prizes. One first place winner will win the grand prize of 2 years of free annual MOT testing and MOT servicing. The entrant who is drawn second will win a 16GB iPod Touch with a £200 value. Third prize is an exciting Virgin Supercar Driving Experience worth £100. In addition, all entrants who share the contest with a friend via UCCC's website will be entered into a mystery prize draw for a £50 gift voucher. Contestants can enter the contest on the UCCC website by filling out a simple form and opting in to UCCC's email letter and free MOT reminder service. Contest winners will be notified in January 2014.

UCCC has long been committed to making the MOT Test easy for its customers. Every participating Unipart garage employs fully qualified MOT inspectors who are trained by VOSA (Vehicle and Operator Services Agency). As members of the Motorcodes programme, integrity and quality are top priorities at all UCCC garages. They provide a free MOT Test guide for motorists and offer transparent pricing on all MOT testing and repairs. All Unipart garages honour a 12 month guarantee on parts and labour. Customers get the best of both worlds: the personal service of a local garage, backed with a nationwide warranty. The local garage finder feature on [UCCC's website](#) helps customers find the certified MOT testing centre nearest them.

The Unipart Car Care Centre network is supported by Unipart Automotive, the UK's largest independent supplier of quality auto parts. For over 40 years, motorists have relied on UCCC for value and peace of mind. Every garage in their network upholds the Unipart Customer Service Pledge, promising to provide top quality work, transparent pricing, value for the cost, and friendly customer care. Their new 2 years free MOT testing and MOT servicing contest is one of many regular promotions that UCCC offers to its clients. Customers are encouraged to visit UCCC on Facebook to keep up with other contests, including giveaways of popular Apple technology such as iPads and iPods. For complete contest terms and conditions on the MOT test and service giveaway, visit <http://www.uccc.co.uk/mot-servicing-prize-draw>.
